- training 3,951 practitioners to improve their practice
- enabling 3,200 practitioner to improve their personal skills via Foundation Online Learning
- providing exhibition sites on the Excellence Gateway

## COURSES TO:

- Improve assessment for learning
- Engage and motivate learners
- Develop resilience
- Maximise progress at entry levels
- Use digital technology
- Improve observations and learning walks

## FEEDBACK SO FAR...

*"Great thought provoking stuff and so well received by the teachers and managers who attended. Everyone I am sure has gone away buzzing with ideas."*

*"Maths pipeline course was very good. Chance to meet and liaise with staff from other institutions and shown some brilliant teaching practices which we could use with our students"*
