

# The Newsletter of the National Association for Numeracy and Mathematics in Colleges(CIO)

An association for all in the lifelong sector

## CONGRATULATIONS

The appointment is announced of Dr David Martin as Chair of the British Congresses of Mathematics Education Committee of the Joint Mathematical Council of the United Kingdom.

## NANAMIC CONFERENCES - 2014

This year NANAMIC held two Annual Conferences – London on 1<sup>st</sup> July and York on 10<sup>th</sup> July. We would like to take this opportunity to thank Norma Honey for her keynote speech at both events. Thanks also for those of you who delivered one of the workshops provided at each conference. Reports of some of the workshops can be found on our website.

## NANAMIC CONFERENCE – 2015

Plans are already underway for next year's conferences. We will be in York on 8<sup>th</sup> July and hope to hold another in London. Details will be available soon on the website. To reserve a place now contact [admin@nanamic.org.uk](mailto:admin@nanamic.org.uk)

## MATHS HUB

“There is no reason why children in England cannot achieve the same standards in Maths as those in Japan, Singapore and China.” Elizabeth Truss.

During the Summer term 2014 Maths Hubs were being set up across the country in outstanding schools or institutions, encouraging teachers to share best practice and learn from each other. One of the leading countries in Maths is China. The first project for the Maths Hubs will be an exchange of teachers from schools in England and China. A more detailed report can be found on the NCETM [website](#).

## CPD GRANTS

The London Mathematical Society has asked that your attention be drawn to its scheme of CPD grants for teachers, details of which can be found at:

<http://www.lms.ac.uk/grants.teacher-cpd-grants>.

## DATES FOR YOUR DIARY

5<sup>th</sup> November 2014 is the date for the Second Annual MathSpeak Conference and Exhibition “Teaching maths – Problem Solving” and will be held in London.

“This ground breaking conference is a great opportunity to hear expert advice and to meet colleagues who are tackling the same issues and facing the same problems. From changes in curriculum and qualifications to the impact of technology, to the development of skills for teaching Maths and Numeracy, this is a turbulent but exciting period for Maths Teachers”.

More information can be found on the website [www.mathspeak.co.uk](http://www.mathspeak.co.uk) where you can also register. If you have any queries please contact [clive@mathspeak.info](mailto:clive@mathspeak.info)

## NEWS EXTRA

**NANAMIC** is now on twitter. Please follow us @NanamicCio for the latest news, updates and events.

The September **MEI** newsletter is now available to view at:

<http://www.mei.org.uk/meinewsletters>

The 114<sup>th</sup> **NCETM** [newsletter](#) and [FE Magazine](#) can be viewed on the NCETM website.

The October newsletter for **NRICH** can be found [here](#).

## ACME 2014 Open Call Outer Circle members

The Advisory Committee on Mathematics Education (ACME) would like to invite individuals with experience in mathematics education to become a member of its Outer Circle.

Applications are very welcome from teachers, those involved in education at any phase from early years to further and higher education, those working in business and industry and mathematicians.

This year, ACME is **particularly** seeking applications from those working in or with experience of the **further education** world.

The term of office will be three years beginning 1<sup>st</sup> January 2015. Applications must be received by 17:00 on Monday 27<sup>th</sup> October 2014.

Further details are available on the NANAMIC website

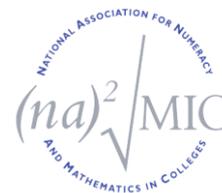

## SUBSCRIPTION RENEWAL

It's time to renew your membership of NANAMIC for 2014-15. Fees were due 1<sup>st</sup> August and run until 31<sup>st</sup> July 2015. The cost for individual members is £20. If you are uncertain as to your current membership status please contact Lesley on [admin@nanamic.org.uk](mailto:admin@nanamic.org.uk)

## CPD

Our next CPD courses will be

- **Unsure about teaching algebra?**
- **Trialling a different approach to GCSE resit, Sue Hough**

Details coming soon.
