# NANAMIC Update

## June 2019

### Thoughts from the chair

This is a busy time for most of you but remember to book your place at one of our conferences. The prices are very cheap. It is £20 per person to join NANAMIC plus £99 for attending, but we are again offering Buy One Get One Free. This means that 2 non-members can attend for a total cost of just £139. If your organisation joins NANAMIC then 4 can attend for a total cost of £248 (£50 for organisation membership plus 2 @ £99)!

Elsewhere in this newsletter you will find a link to the new Ofsted Inspection Framework and a link about the new rules regarding Functional Skills and those who arrive at college with a level 2 or lower at GCSE.

We hope that you will join us at one of our conference. We are the only association which provides a conference specifically for the post-16 mathematics sector.
